## **Walk the Path of Legacy Milestones!**

Spiritual Maturity is a lifelong process. It begins the day you are born and continues throughout life. Equipping the generations means that as we grow, we lead the next generation spiritually. Leading begins at home with family.

At Kingsland, we believe the church and family should work together to raise the next generation of Christians. We see discipleship as a two sided coin: church and family. We believe God designed parents to be the uniquely perfect, primary faith trainers of their children.

If the church and family are to work together to raise up the next generation of believers, we need a common path to walk on. We call this the path of Legacy Milestones. Everything we do at Kingsland helps people mature along the path.

As the primary faith trainer in your family, you have the God-given responsibility to have faith talks with your family, celebrate Milestones, and capture God moments along the way. No one can take your place along the Legacy Path. Will you join us?

## MILESTONE FOUR

### PART 1:

### *PREPARING FOR PURITY*

*Purity for Life // Due to the nature of this milestone, we divided it into two specific categories focused on two different age groups. The first session is aimed at younger students and helps prepare students and parents for the purity commitment in 8th grade.*

**Ministry Department:** Student Ministry  
**Target Audience:** 6th & 7th Grade

**Parent Training:** Have you had “the talk” yet with your 6th or 7th grader? Do you know what to talk about or how to talk about it? Would you like a few resources and some helpful tips to get the conversations going? We want to partner with you to get ready for the purity milestone we will walk through in October when you have an 8th grader. We will provide some talking points, goals and a few resources to get you started as well as offer breakout classes for your 6th and 7th grade sons and daughters.

## MILESTONE FOUR

### PART 2:

### PURITY FOR LIFE

*Purity for Life // Due to the nature of this milestone, we divided it into two specific categories focused on two different age groups. The first session is aimed at younger students and helps prepare students and parents for the purity commitment in 8th grade.*

**Ministry Department:** Student Ministry

**Target Audience:** 8th Grade

**Family Event:** Purity for Life Commitment

**Parent Training:** Parents, how are conversations of purity going with your 8th grader? Do you know what to talk about or how to talk about it? We want to offer you encouragement, resources and tips in walking through this critical milestone of purity as well as help your student understand purity from a biblical standpoint. We will provide talking points, goals, a few resources and lots of encouragement to get you started.

## MILESTONE FIVE: *PREPARING FOR ADULTHOOD*

**Ministry Department:** Student Ministry

**Target Audience:** 10th Grade

**Family Event:** Rite of Passage Ceremony

**Parent Training:** Attention 10th grade families – your son or daughter is hitting some big markers on the way to adulthood – driving a car and making more of their own decisions. We want to help you unpack all that’s going on during this season and equip you with some helpful tools and suggestions to make the next three years as intentional and enjoyable as possible. We will discuss tips on how to empower your students, and how to stay connected and invested in their lives while giving them space to grow as an adult. We want to prepare your family to move from adolescence to adulthood through a ‘rite of passage ceremony’ you can celebrate as a family.

# MILESTONE SIX

## PART 1: *HIGH SCHOOL GRADUATION*

*Similar to Milestone Four, we divide Milestone Six into two separate training and equipping sessions. Both are aimed at helping students and parents walk through the milestone of graduation.*

**Ministry Department:** Student Ministry  
**Target Audience:** 11th Grade

**Parent Training:** Parents of 11th graders, you are one year away from launching your sons and daughters into the world. Are they ready? Are you ready? We want to help provide some critical resources and tips on how to make the upcoming senior year the best it can be. We will cover practical and spiritual issues that you will want to address before they graduate. We will also meet with your 11th graders in breakout classes to help them prepare for their senior year.

## MILESTONE SIX

### PART 2: *HIGH SCHOOL GRADUATION*

*Similar to Milestone Four, we divide Milestone Six into two separate training and equipping sessions. Both are aimed at helping students and parents walk through the milestone of graduation.*

**Ministry Department:** Student Ministry

**Target Audience:** 12th Grade

**Church Event:** Senior Summit Weekend

**Family Event:** Written Blessing Ceremony

**Parent Training:** Each year in April we celebrate our graduating seniors with a dinner on Friday night and then a church-wide celebration on Sunday during our services. Friday's dinner consists of a walk down memory lane with our seniors as well as a time for parents and family to read letters of blessing over their students. This is a powerful weekend for families as they prepare to see their kids step in to their next stage of life.

# 7

## MILESTONE SEVEN: *BIBLICAL MARRIAGE*

**Ministry Department:** Student Ministry & Adult Ministry

**Target Audience:** Students, Engaged Couples, Married Couples

**Family Event:** We celebrate biblical marriage that reflects the image of God in a variety of ways as a family. We begin teaching children the meaning of biblical marriage at a young age – having conversations about God's plan to use marriage to reflect His image. Engaged couples prepare for marriage through Marriage Mentoring. Married couples seek to grow their marriage through authentic community with other couples and Marriage Mentoring as well.

**Parent Training:** A perfect marriage does not exist but we can teach our students what a biblical marriage is, regardless of our circumstances. We want to help equip you as you lead your student to develop a biblical view of marriage. The way you view marriage, your prayers for your children and your example lead your children towards a biblical view of marriage.

# FAMILY DEVOTIONS

**FAITH TALKS** are the platform which help parents spark spiritual conversations. More conversation starters than devotions, they are intended to be used around the dinner table, in the morning before work or school, or at night before bed time. Faith Talks are used to help you connect God to everyday life. For examples of Faith Talks, check out [EmpoweredHomes.org](https://EmpoweredHomes.org).

# GOD MOMENTS

**GOD MOMENTS:** A God Moment is just that: a moment ordained by God designed for parents to speak truth to their children in the midst of normal life. These moments are not manufactured, but instead they are captured as they emerge for the purpose of leading our children spiritually.
